

DILEEP REDDY GOLI

AI/ML Enthusiast | Full Stack Developer

+91 9398786265 — dilipgoli55@gmail.com — LinkedIn — GitHub

Summary

Passionate Data Science student with strong interest in Artificial Intelligence, Machine Learning, and Full Stack Development. Experienced in building AI-powered assistants, healthcare analysis systems, and participating in competitive hackathons. Skilled in problem solving, teamwork, software development, and rapid prototyping with hands-on project experience.

Technical Skills

Languages: Python, Java, C, JavaScript

Frontend: HTML, CSS, React.js

Backend: Node.js, Express.js

Technologies: Artificial Intelligence, Machine Learning, Image Processing

Tools: Git, GitHub

Core Skills: Problem Solving, Teamwork, Communication, Leadership

Projects

Jarvis AI Assistant

- Developed an AI-powered virtual assistant capable of voice command execution and automation tasks.
- Implemented intelligent response handling using Python and automation libraries.

Brain Blood Clot Detection System

- Built an AI healthcare project to analyze brain scans and identify possible blood clots.
- Applied image processing and machine learning techniques for accurate scan analysis.

Experience & Activities

Agentathon 2025 Hackathon Participant

- Participated in an AI-focused hackathon and developed innovative software solutions.

Blitz 24-Hour Hackathon Participant

- Worked in a fast-paced coding environment to develop rapid prototype applications.

Campus Ambassador

- Represented student engagement initiatives and promoted technical community activities.

Education

Malla Reddy University

2023 – 2027

B.Tech in Data Science

CGPA: 7.83

Intermediate

Score: 854 Marks

SSC

GPA: 10/10

Certifications

- Campus Ambassador Certification
- Hackathon Participation Certificates

Languages

English (Fluent) — Telugu (Native) — Hindi (Fluent)
